

CONTRACTOR

The most economical line we carry and still a top grade wheelbarrow built for multiple applications that require durability.

These wheelbarrows can perform any job. The cold rolled steel chassis undercarriage, 60" varnished hardwood handles or as an added option adjustable steel handles provide enough strength for the toughest contractor or homeowner application. UV stabilized high density polyethylene pan reduces scratching, denting, fading, and never rusts. This wheelbarrow is "Built To Last" for years.
