

GROUNDKEEPER

The ideal wheelbarrow for the landscaper, gardening professional, homeowner or golf course maintenance crew

Heavy gauge cold rolled steel chassis with heavy-duty powder coating, resists corrosion and holds up to everyday wear & tear. Our varnished 60" hardwood handles offer additional resistance to warping or breaking. An adjustable steel handle is available as an added option. The UV-stabilized high density polyethylene pan reduces scratching, denting, fading, and never rusts. Wide 6" turf tire with precision bearings and zerk fittings make it easier to handle when maneuvering on stone, mulch, and soft ground.

6 Cube HDPE Single & Double Wheel

Model No.	Part Number	Description	Ship Wt.
